Necessary Endings...

In 2018, just over seven years ago, a dream was born at Hope Pregnancy Ministries. Inspired by the desire to extend compassionate, high-quality medical care beyond our clinic walls, we set out to bring mobile services to communities surrounding the Flathead Valley—places where resources like those provided by Clear Choice Clinic were limited or unavailable.

With your incredible support, that dream quickly became a reality. You caught the vision, prayed, gave generously, and helped us launch what became affectionately known as our “BEAST” of a mobile unit—strong enough to conquer snowy mountain passes, resilient enough to face the wild Montana roads, and equipped to deliver the same exceptional care as our Kalispell clinic.

In May 2019, the Clear Choice Clinic Mobile Medical Unit officially hit the road. Over the years, it served communities including Eureka, Polson, Hungry Horse, and eventually focused its outreach in Browning, where we saw a significant need and received encouraging support from tribal leadership.

For six years, our dedicated staff and volunteer drivers poured their hearts into this mission, showing up with excellence and compassion, rain or shine. Their commitment has been nothing short of extraordinary.

And yet, after much prayerful consideration and a thorough evaluation of community needs, engagement, and long-term sustainability, we have made the difficult decision to retire the Mobile Medical Unit program.

We are proud of the lives we touched, the care we provided, and the presence we brought into underserved areas.

This was not an easy conclusion to reach. We know that this effort was born out of a sincere calling to serve—and serve we did! We are proud of the lives we touched, the care we provided, and the presence we brought into underserved areas.

While this chapter is closing, our commitment to hope and healing remains unchanged. We continue to offer services at Clear Choice Clinic in Kalispell, and we remain open to new opportunities to serve in meaningful, sustainable ways in the future.

Thank you to everyone who dreamed with us, gave generously, drove countless miles, and shared in this mission. You made this journey possible, and we are deeply grateful.

With heartfelt appreciation,

Michelle

FEATURED SPEAKER

Steventhen Holland is a devoted husband, father, worship leader, national pro-life advocate, motivational speaker, recording artist, and the founder of Broken Not Dead Ministries, a nonprofit organization. He lives in Alabama with his wife, Rachel, and their three daughters—Isabella, Eliana, and Kadence—who are the joy of his life.

Steventhen holds a Bachelor of Arts in Student Ministry from King University in Bristol, Tennessee, where he also played collegiate baseball. A gifted communicator and passionate worship leader, he has spent more than two decades traveling across the country, sharing a powerful message of hope, healing, and restoration through Jesus Christ.

Born as a result of the tragic gang rape of a young woman with intellectual disabilities, Steventhen's life is nothing short of a miracle. Though he began life facing overwhelming odds—including homelessness, foster care, and separation from his birth mother—God had a greater plan. After 27 years, he was reunited with his biological mother, a testimony of God's timing and redemptive grace.

Today, Steventhen uses his story, as told in his book *The Journey: Brokenness to Wholeness*, to reach hearts and inspire change. Whether through his music—having written and recorded over 20 songs—or his speaking engagements, Steventhen proclaims the Gospel boldly, reminding the broken and the weary that like him, their stories are part of their journey, and that God can bring beauty from ashes.

Meet Colleen, Patient Coordinator!

At **Clear Choice Clinic**, we are blessed to be surrounded by people who truly embody the love and compassion of Christ—and Colleen Warricks is one of those special people. Since joining our team in August of 2022, Colleen has served faithfully as our Patient Coordinator, where her warmth and gentle spirit are a daily gift to everyone who walks through our doors.

Colleen brings not only professional excellence but also a heart full of care and empathy. As a devoted wife, mother of five adult children, and proud grandmother of six, Colleen understands the beauty and complexity of family life. Now entering a new chapter as an empty nester, she continues to pour into the lives of others with the same nurturing spirit she's shown her own family.

Originally drawn to Clear Choice Clinic by her desire to serve others in meaningful ways, Colleen sees her role here as more than a job—it's a calling. Her passion for walking alongside women during their most vulnerable moments reflects her deep commitment to the sanctity of life and the hope we have in Christ.

Outside the clinic, Colleen loves taking full advantage of the beautiful Montana landscape she calls home. Whether she's hiking through the woods, spending time with loved ones, or picking fresh huckleberries, she cherishes the simple joys of life. She and her family are active members of Canvas Church in Kalispell, where their faith continues to grow in community and worship.

We are truly grateful to have Colleen as part of our team. Her dedication, compassion, and unwavering faith are a daily reminder of our mission—to serve with love, protect life, and offer hope. If you see her at the front desk, be sure to say hello—you'll leave feeling a little more encouraged than when you arrived.

Thank You, Dr. Graham!

Medical Director, Clear Choice Clinic

With deep gratitude and heartfelt appreciation, we say goodbye to **Dr. Ken Graham** and thank him for his faithful service as Volunteer Medical Director at Clear Choice Clinic. For years, Dr. Graham has been a steady, compassionate presence in our ministry—serving with humility, excellence, and a profound commitment to the sanctity of life.

His contributions went far beyond expert medical oversight. Dr. Graham's wisdom, kindness, and unwavering dedication have touched countless lives, and his impact on Hope Pregnancy Ministries is truly immeasurable.

While he has stepped back from his role with us, we're grateful to know that Dr. Graham continues to serve children and families through his ongoing work at **Logan Health Children's Primary Care**. His passion for healing and his heart for service remain a source of inspiration to us all.

Dr. Graham, thank you for the time, care, and love you've poured into this ministry. Your legacy of life and compassion lives on in every life touched and every heart changed because of your service.
